

The Aeroklubben Modell Göteborg (AKMG) invite to

ScaleWest and Nordic scale Championship

For model airplanes the 20 – 22 of August 2010

AKMG hereby invite fellow countrymen and Nordic neighbours to Nordic scale championship for radio controlled scale models under the following preliminary circumstances (the date is final).

We compete in the classes F4C, F4H and Klubbskala.

The following titles can be won

- Nordic Champion F4C
- Nordic champion F4H

And winner of:

- ScaleWest 2010 competitors in F4C and F4H
- Clubscale AKMG for competitors from Sweden, basic level

The final results of the different competitions will be presented on different lists after 3 flights and static judgement in each class.

TEAMS

Each participating nation may have more than three competitors in the F4C competition. A teams list will be posted if 2 or more countries each can provide 3 participants in F4C.

DATES: 20-22 August 2010

Final registration must be done before the 2 of August 2010.

Payment is done to Iban SE 2895 0000 9960 3405 2636 60

Registration is via AKMG's website.

Preliminary registration in May 2007.

LOCATION

A part of a landing strip from the former international airport Torslanda located North West of Gothenburg. The field is located in a fast growing urbanization area. Torslanda was the first Swedish civil airport.

SITE

There is a Golf course on one side of the airfield and a small bird reservation on the other. Look at the maps on the index page to discover how to get to the airfield and the position of the tarmac runway.

A flight line in the North to South direction means a runway of tarmac and trimmed down grass In combination.

JURY

Judges are selected among listed judges in the Scandinavian country's

Jury members are pointed out at the site among officials and an invited jury president

RULES

FAI Sporting Code, Section 4 (2007 revised edition) and amendments. Each competitor in F4C must have a valid FAI Licence. All participants must have a third party insurance.

Please observe that from 070101 a new version of "modellers declaration" and stickers apply

In ScaleWest we have the F4H and a class called Klubbskala. In those classes it's allowed to compete with a bought model (ARF) under the circumstances that this is declared in the "Modellers declaration form".

AWARDS

Prices given to the best competitors in each class F4C and F4H. Every competitor will be awarded a memory Plate

OFFICIAL LANGUAGES

Swedish and English

FREQUENCIES

The allowed frequencies for radio control model aircraft in Sweden run from 35,000 MHz to 35,220 MHz.

Scanning of frequencies will be made systematically during all the competition.
